## About Us

Based in the North-West of England we have held a first-class reputation in teaching NVIVO, SPSS Software and medical statistics since 1991.

We deliver a well-organised and efficient service to meet the needs of the Higher Education, Government and NHS Research sectors. We provide statistical and qualitative data analysis and consultancy services.

We train researchers for the GMC (General Medical Council); Equality and Human Rights Commission; and Academics for several universities across the UK including the Alliance Manchester Business School, the University of Stirling; the University of Salford; Brunel University and the University of Greenwich. In addition; we act as a consultant for research projects run by the NHS Health Research Authority. Qualified to the highest standards, we combine commitment and passion to provide the best possible service.

Please explore the website for a service to suit you. If you cannot find the required service or support please call us on +44 (0) 1704 821 120, [email us](#) or [contact us via our website](#) and we will be delighted to help you.

Elizabeth Training has been re-branded from Data Solutions Services in 2019.
