### FREE Webinar After-Training Support

As part of supporting you (private, public and site training clients) you are invited to FREE Friday mornings drop-in session between 10am and 11am GMT.

Here you can ask any question about your NVivo project and you will be answered by Elizabeth. It is a live session with added recordings which is posted to you after the session is ended. You can join in via your mobile devices, computer or phone, on the move. Some people come in and have their questions answered then leave the session. Others stay on and listen in to others questions that may be of interest to them.
